25/7 Protection

Dear Gerald:

You were right!! Within 10 days of installing our new camera system we were able to identify damage and hold people accountable. The system has already saved us approximately \$9,000 in only a 9 month period. We love it, and would highly recommend your company. Your customer service, pricing and attention to detail can't be beat!

Thank you

A handwritten signature in black ink, appearing to read "Frank Wilcher". The signature is fluid and cursive, with a large initial "F" and "W".
